Summarizing the Qualities of the Sphere of Jupiter

- **Generation:** Zeus is the generative force, starting all kinds of things that lead to fun, joy, and also not a small amount of trouble.
- **Blessing and Prosperity:** The energy of Jupiter is about bringing all the positive forces to bear, to create opportunities to grow, and to obtain wealth and favor of men in authority.
- **Expansion:** Jupiter is the growth of all things, the fruiting of the plants, the fruit itself that contains the seed of the next generation.
- **Warrior – Wields the Shining Bolt and the Aegis**

Summarizing the Qualities of the Sphere of Jupiter continued

- Noble – He is the right ruler of all things, and is the leader of the leaders. He is the righteousness that comes from power, but he is also that which empowers justice. Victory is at his right hand.
- Pumpkin Spice and Everything Nice – He is all things sweet, and nutmeg, and sugar.
- Religious Aspects – He rules over faith, grace, religion, piety, and also prudence and temperance.
- The Patriarchy: Let's not forget he's the patriarchy, and the negative aspects of Jupiterian forces are the misogynistic tendencies impious men fall into. We can't forget, Zeus rules because of Gaia and Rhea, and fears Nyx.
- Joy: The key word of Jupiter is either Grace or Joy, depending on how you look at it. I go with Joy.

Magical applications of the forces of Jupiter

- Jupiter magic is fun, and can be loosely categorized as providing the following:
- Wealth and Prosperity through Favor and Respect and Lucky Breaks
- Leadership, Right-Rulership
- Smiting your foes
- Accountability
- Growing your Ideas
- Oracles

Powers of the Pentacles of the Key of Solomon

- FORCING SPIRITS TO OBEY

Benefica – All Good Things

- The second pentacle of Jupiter.-- This is proper for acquiring glory, honors, dignities, riches, and all kinds of good, together with great tranquillity of mind; also to discover treasures and chase away the spirits who preside over them. It should be written upon virgin paper or parchment, with the pen of the swallow and the blood of the screech-owl [*Little Owl].

- The third pentacle of Jupiter. This defendeth and protecteth those who invoke and cause the spirits to come. When they appear show unto them this pentacle and immediately they will obey.

RICHES AND HONOR

- The fourth pentacle of Jupiter.-- It serveth to acquire riches and honor, and to possess much wealth. Its angel is Bariel. It should be engraved upon silver in the day and hour of Jupiter when he is in the sign Cancer.

VISIONS

- The fifth pentacle of Jupiter.-- This hath great power. It serveth for assured visions. Jacob being armed with this pentacle beheld the ladder which reached unto heaven.

PROTECTION

- The sixth pentacle of Jupiter.-- It serveth for protection against all earthly dangers, by regarding it each day devoutly, and repeating the versicle which surroundeth it. 'Thus shalt thou never perish.'

AGAINST POVERTY

- The seventh and last pentacle of Jupiter.-- It hath great power against poverty, if thou considerest it with devotion, repeating the versicle. It serveth furthermore to drive away those spirits who guard treasures, and to discover the same.

A close-up portrait of a young man with light-colored, wavy hair. His eyes are closed, and his expression is serene. On his forehead, there are glowing, ethereal patterns resembling a constellation or a nebula, with bright orange and yellow light points. The background is a deep blue with swirling, nebula-like patterns and some star-like sparkles. The overall mood is mystical and cosmic.

Personal Anecdotes and Advice

- Saturn ends situations that are bad, Mars protects you from things getting worse, and Jupiter provides the forces that begin healing and replacing the resources you need when you leave a bad situation
- Establishing and repairing my reputation as needed
- I've had my share of bad choices and crappy behaviors, and healing and grace are the things of Jupiter that I have needed over and over again.

- Favor of bosses, cannot stress that enough.

Jupiter in our Experienced World

- In the Human
- Part of the Body – That Jupiter rules over the Belly and Navel
- Ten parts intrinsic of man. – Liver.
- Hole in the head attributed to the planet (there are seven) – Left ear
- Inner World
- Emotions – Also, all things under Jupiter bring mirth and honor;
- Inner Sense – Common Sense, the knowing of what seems right, self righteousness
- Amongst tastes – sweet and pleasant

Spirit

- Part of your Soul – the Natural:
- Divine Gift – By the seven Planets as it were by instruments, all powers are diffused into man from the Supreme fountain of good: Jupiter, an unshaken prudence, temperance, benignity, piety, modesty, Justice, Faith, Grace, Religion, equity, clemency, royalty;
- Corruption of the Human Soul – Jupiter then sendeth down covetousnes, evil occasions to get wealth, and tyranny:

Actions and dispositions

- but Jupiter, those that are Religious, Prelates, Kings, and Dukes, and such kind of gains that are got lawfully
- Countenance – A cheerfull, and honest countenance, a worshipfull gesture, clapping of the hands, as of one rejoycing [rejoicing], and praising; also the bending of the knee, with the head lifted up, as of one that is worshiping, are ascribed to Jupiter.

Conjuring the Spirits of Jupiter

- For Jupiter take the seed of Ash, Lignum-aloes, Storax, the gum Benjamin [benzoin], the Lazule [lazuli] stone, the tops of the feathers of a Peacock, and incorporate them with the blood of a Stork, or a Swallow, or the brain of a Hart. Zeus (Greek mythology):
- to Jupiter odoriferous fruits, as Nutmegs, Cloves:
- Phrases for your Statements of Intent
- So Jupiter is called as it were a helping Father, the King of heaven, Magnanimous, thundering, lightning, unconquered, high and mighty, great and mighty, good, fortunate, sweet, mild, of good will, honest, pure, walking well, and in honour, the Lord of joy and of judgements, wise, true, the shewer of truth, the judge of all things, excelling all in goodness, the Lord of riches, and wisdom.

Phrensy of the Muses

- The sixth degree answers to Jupiter: this possesseth the discourses of reason, deliberations, consultations, and moral purgations: of these we have spoken in part above, and further we shall speak afterwards; It possesseth also admirations, and veneration, at the astonishment of which, the phantasie [fantasy], and reason are sometimes so restrained, that they suddenly let pass all their own actions: whence then the minde it self being free, and exposed to a diety [deity] only, whether to any God, or Demon, doth receive supernal, and divine influences, viz. those concerning which it did deliberate before. So we read that the Sybils [Sibyls], and the Priests of Pythia were wont to receive oracles in the caves of Jupiter, and Apollo.
- For that excogitation which is made by riddles, and images, is a certain kind of speculation, or discourse belonging to Jupiter, and not a contemplation.

Spirits for Ceremonialists

- Ceremonialists have identified the following aspects that can be used in conjure rites:
- The method of working with these spirits is to call on the God of the Sphere to empower you and send his Archangel of the Choir to attend your instructions and empower the spirits of the material world to manifest what you want.
- Jupiter:
- God: El
- Choir: Dominions
- Archangel: Tzadqiel
- Terrestrial Spirits Netoniel, Devachiah, Tzedeqiah, and Parasiel
- Seal of the Terrestrial Spirits:

Tables of the Planets: Jupiter

- Chap. xxii. Of the tables of the Planets, their virtues, forms, and what Divine names, Intelligences, and Spirits are set over them.
- From Agrippa:
- *But let us hasten to explain the tables severally. The second is called the table of Jupiter, which consists of a Quaternian drawn into it self [i.e. 4 times 4], containing sixteen particular numbers, and in every line, and Diameter four, making thirty four. Now the Sum of all is 136. And there are over it divine names with an Intelligence to good, with a spirit to bad, and out of it is drawn the Character of Jupiter, and the spirits thereof. They say that if it be impressed upon a Silver plate with Jupiter being powerfull, and ruling, it conduceth to gain, and riches, favor, and love, peace, and concord, and to appease enemies, to confirm honors, dignities, and counsels, and dissolve enchantments if it be engraven on a corall.*
- To Conjure:
- God: El Ab אב אל
- Intelligence: Johphiel יהפיהל
- Spirit: Hismael הסמאל

Images of the Astrological Talismans

- You can engrave the following images on various stones to get the results described. I include them for reference in case you want to use the imagery in creating your own talismans, or to draw the forces of the spheres.
- From the operations of Jupiter, they made for prolongation of life, an Image, in the hour of Jupiter, Jupiter being in his exaltation fortunately ascending, in a clear and white stone, whose figure was a man crowned, cloathed with garments of a Saffron Colour, riding upon an Eagle or Dragon, having in his right hand a dart, about as it were to strike it into the head of the same Eagle or Dragon.
- They made also another Image of Jupiter at the same convenient season, in a white and clear stone, especially in Crystall, and it was a naked man crowned, having both his hands joyned together and lifted up, as it were deprecating something, sitting in a four-footed chair, which is carried by four winged boys, and they affirm that this Image encreaseth felicity, riches, honor, and conferreth Benevolence and prosperity, and freeth from enemies;
- They made also another Image of Jupiter for a religious and glorious life, and advancement of fortune; whose figure was a man having the head of a Lyon [lion], or a Ram, and Eagles feet, cloathed in Saffron coloured cloathes, and he was called the son of Jupiter.
