Altar Layout

Lay out your altar as shown below:

The Ritual Text:

Zeus ho kephale; Zeus ho messos; Zeus ho pantokrator.

One is the father of all gods and mortal men.

Zeus was born first, Zeus last, god of the shining bolt;

Zeus the head, Zeus the middle, and from Zeus are all things made.

On him were gestated all the immortals, blessed gods and goddesses and rivers and lovely springs

One power, one god, great progenitor, ruler of all, One royal body in which all things are enclosed, Fire and water and earth and ether and night and day, And Metis, first generator, and much-delighting Eros: All this lies in Zeus' great body.

And he himself became alone.

Zeus is head, Zeus is center, all things are from Zeus.

Zeus is the breath of all, Zeus the Moira of all.

Zeus the king, Zeus ruler of all, who rules with the shining bolt.

Source of all Light, united at the root, yet branching out into paths that become gods and spirits and people, and branching out yet again among all things manifest and experienced, lightning dancing in stars and neurons and clouds and touch, you from whom continuously spring forth all gods and human creations in determination of your Will, You who yet sit in absolute and eternal darkness, Unseen Eye watching all, experiencing and being experienced in the waxing and waning of all things within you through us, you oh sacred Lord we call, to bless and consecrate these rites.

[Light a white candle.]

Trace out a circle beginning in the East, and say,

I consecrate this ground for our defense.

Face the North. Say the following Words:

AŌTH ABRAŌTH BASYM ISAK SABAŌTH IAŌ.

Subject to me all daimons, so that every daimon, whether heavenly or aerial or earthly or subterranean or terrestrial or aquatic, might be obedient to me and every enchantment and scourge which is from God.

Thou supernatural assistant, ever present friend and guide, Make straight now the way between ourselves and the spheres of the spirits we call upon in this hour. Prepare now a feast for the Seven governors, present by their names and seals, for the 28 Spirits of the Pentacles, and for the four elemental kings, and those specific spirits we seek aid of at this time. Prepare a feast for those entities we shall call, and make straight the way between us.

Bless the scrying medium:

Oh thou inanimate creature of stone, be sanctified and consecrated, and blessed that you work with us to transform all things to purity, to good, and to aid in all things to this purpose, that no evil fantasy may appear in you; or, if they do, that they may be constrained to speak intelligibly, and truly, and without the least ambiguity.

Bless the incense:

I conjure thee, oh thou creature of fire! by the power of the forces that flow through all things, by Metis and Moira I call you, by the creation of all things both in heaven and earth, and in the sea, and in every other place whatsoever, that you cast away every phantasm from you, that no hurt whatsoever shall be done in any thing. Be thou blessed, oh creature of fire, and sanctified that you may be blessed, and that you may fill me up with the power and virtue of these odors; so neither any enemy, nor any false imagination may enter into this space.

The Orphic Hymn to Jupiter

O Jove much-honoured, Jove supremely great,
To thee our holy rites we consecrate,
Our prayers and expiations, king divine,
For all things round thy head exalted shine.
The earth is thine, and mountains swelling high,
The sea profound, and all within the sky.
Saturnian king, descending from above,
Magnanimous, commanding, sceptred Jove;
All-parent, principle and end of all,
Whose power almighty, shakes this earthly ball;
Even Nature trembles at thy mighty nod,
Loud-sounding, armed with lightning, thundering God.
Source of abundance, purifying king,
O various-formed from whom all natures spring;
Propitious hear my prayer, give blameless health,
With peace divine, and necessary wealth.

Request for the Spirit dispatch

[hold the Lamen, pentacle, or seal of the spirit you are conjuring in your left hand, or place it over your heart]

Zeus, I ask that you send now your Spirit BARIEL, the Spirit of this pentacle of Jupiter! Come now from wherever you may be, and appear before me in this crystal, to attend to manifesting my desires.

Conjuration of the Four Elemental Kings

Oriens, thou Lord of the Realm of Fire, Amaimon, thou Lord of the Realm of the Earth, Paimon, thou Lord of the Realm of the Air, Egin, thou Lord of the Realm of Water, by your names and your seals I call upon you to come forth and bear witness, to receive these powers and to manifest the desired results in my experienced life, in ways that I cannot help but see.

Charge to the spirits

Zeus ho Kephale, Zeus ho Messos, Zeus ho pantokrator.

Hear me ZEUS, archangels, and spirits of the experienced material realm.

Hear me, BARIEL, Angel bearing the Seal of almighty Zeus, empowered to pour out his blessings into our lives in abundance and joy!

Come now to me, bringing with you the manifestations of your presence, in the form of riches to support my creations, honor to advance my cause in the realm of humanity, and to possess much wealth by which to manifest all the things I am incarnated to achieve.

Receive now the offerings prepared in advance for your attendance. Let any dissonance, or cosmic discordances be brought into harmony, that all your combined forces may coalesce into the manifestation I seek.

ASSEMBLED SPIRITS,

I call upon you now to work in harmony with the powers of BARIEL, that they may be incorporated into my being, that the manifestations of riches, honor, and much wealth be the materialized proof of your success in my life. Through me let the appreciation and enjoyment of riches, honor, and great wealth bring glory and honor to your name, and let it become the foundation from which I can build all things you have willed me to create.

Bless me oh spirits, and may you also receive my blessings in thanks, in praise, and in joy. What I bind on earth is bound in heaven, and what I release in heaven is released in earth. I bind now all forces and sources of poverty, want, and vile desperation. I release now all wealth, prosperity, and abundance into my life.

Receive these words, and let them be planted in fertile soil, to manifest our desires as is only right and proper in all things.

PENTACLE CONSECRATION:

:hold pentacle in left hand, make sign of blessing over it three times while saying:

Zeus empower SACHIEL and the four Spirits Netoniel, Devachiah, Tzedeqiah, and Parasiel to bless and consecrate this Pentacle of Jupiter, that it may be blessed.

BARIEL, I ask that you enliven this talisman with your powers, bringing down manifestations of riches, honor, and abundant wealth. I ask that you come when I call upon you by your name and this Seal, to bring me opportunities I have not seen, to hear my desires, and to work with me in harmony with the spirits and the spheres of my life to make it a life of wealth, honor, and riches.

Prepare me now to receive my desired outcome, let me see the opportunities you bring, let any changes necessary to my lifestyle be apparent, and easy to make as I see the benefits to my happiness and well being.

Let all opposing forces be revealed as mists in the light of the sun, shadows dispersed with the coming of the light. Break any bindings, and release any constraints that keep me from seeing the path to attaining my desired outcomes.

Release and License to Depart

Let any and all changes in my life come naturally and in healthy, enriching ways that bring growth and healing, without harm to myself or those I love.

Remove all obstacles, make straight the way between myself and my desires. Remove from my eyes any aspect of your sphere that keeps me from seeing the opportunities you bring. Open my inner eye to see the working of my source through all things in my life.

I thank you for your presence, for hearing my words. Let no words fall to the ground without bearing fruit. Prepare now the manifestation to come, and come when I call you by your name and your seal, to manifest my plans and desires. As you came in peace, go forth in power.
